
Short Term Resettlement Support Scheme

By admin

Published: 22 Mar 2008 - 5:33pm

Across Carlisle, Allerdale, Copeland and Eden

Specifically for those in contact with the Probation Service.

Interventions are usually at the point of crisis and provide a short period of support to assist with a situation of homelessness. The scheme is delivered at local Probation Service offices. More recently the scheme has begun to work closely with the local Probation Service hostel; providing a service to those residents whose requirement to reside at the hostel is ending and need accommodation when they leave.
